**The Pennsylvania Positive Behavior Support Network (PaPBS)** is pleased to announce the 2022 recipients of recognition for continued implementation of PBIS and participation in the PaPBS Network Positive Behavior Interventions and Supports (PBIS). The PaPBS Network recognition system annually identifies and publicly distinguishes Pennsylvania's Program Wide (PW) and School Wide (SW) sites for successful implementation of PBIS.

Each fall, PBIS sites across the commonwealth submit an application in order to be considered for recognition, based on the following criteria:

- In good standing of the PaPBS Network,
- Supported by a PaPBS Network Facilitator, and
- Submitted annual data as required by the PaPBS Network program evaluator.

#### Universal (Tier 1) Initial Implementation With Fidelity

Fidelity of implementation criteria includes:

- A score of 70 percent or above on the Benchmarks of Quality (BoQ),\*
- Submitted 2021-2022 annual data as required by the PaPBS Network, and
- A score of 80/80 or above on the Preschool-Wide Evaluation Tool (PreSET)\*\* or a 70 on the Tiered Fidelity Inventory (TFI)\*\*\*.

#### Universal (Tier 1) Sustained Implementation With Fidelity

For PW and SW sites that have been recognized for implementation fidelity the previous school year and have applied to be recognized for continued fidelity of implementation at the Universal (Tier 1) level.

Fidelity of implementation criteria includes:

- Recognized for implementation fidelity during the 2021-2022 school year,
- Submitted 2021-2022 annual data as required by the PaPBS Network, and
- Earned a score of 70 percent or above for Tier 1 on the Tiered Fidelity Inventory (TFI)\*\*\* and a Tier 1 walk-through tool was completed by their PaPBS facilitator.

## Universal (Tier 1) and Targeted (Tier 2) Implementation With Fidelity

For PW and SW sites that have been previously recognized for Implementation of Universal (Tier 1) level with fidelity and have applied to be recognized for continued implementation with fidelity at the Universal (Tier 1) level and also Targeted (Tier 2) level.

Fidelity of program implementation criteria includes:

- Recognized during the 2021-2022 school year for fidelity of program implementation at Tier 1 or Tier 1-Sustaining,
- Earned a score of 70 percent or above on the BoQ for the 2021-2022 school year, or a 70 percent or above on the Tier 1 TFI,
- Submitted 2021-2022 annual data as required by the program evaluator, and
- Earned a score of 70 percent or above for Tier 1 and Tier 2 of the Tiered Fidelity Inventory (TFI) and a Tier 1 walk-through tool was completed by their PaPBS facilitator.

## Implementation Fidelity at Tiers 1, 2, and 3

This is for PW and SW sites that have been previously recognized for implementation of Universal (Tier 1) level with fidelity and have applied to be recognized for continued implementation fidelity at the Universal (Tier 1) level, Targeted (Tier 2) level, and the Intensive (Tier 3) level.

Fidelity of program implementation criteria includes:

- Recognized during the 2021-2022 school year for Tier 1 or Tier 1-Sustaining,
- Earned a score of 70 percent or above on the BoQ for the previous school year, or a 70 percent or above on the Tier 1 TFI,
- Submitted 2021-2022 annual data as required by the PaPBS Network, and
- Earned a score of 70 percent or above on Tier 1, Tier 2, and Tier 3 of the Tiered Fidelity Inventory (TFI) and a Tier 1 walk-through tool was completed by their PaPBS Facilitator.

## Fidelity Measures:

### \* **Benchmarks of Quality**

The Benchmarks of Quality (BoQ) are used by teams to evaluate the status of program wide and school wide PBIS supports. The BoQ provides a way to assess and identify areas of strength and need for establishing future action plans for sustained implementation.

### \*\* **Preschool-Wide Evaluation Tool (PreSET)**

This assessment is used to measure program-wide implementation of the universal level of positive behavior interventions and support (PBIS) in early childhood settings.

### \*\*\* **SWPBIS Tiered Fidelity Inventory**

The SWPBIS Tiered Fidelity Inventory (SWPBIS TFI) is a fidelity measure to determine the extent to which programs and school staff are applying the core features of school wide PBIS in all three tiers. The SWPBIS TFI can be used over time to guide both implementation efforts and sustained use of program wide and school wide behavioral interventions and supports.

# All Stars Celebration

We invite registered forum attendees to the public acknowledgment/celebration of school and programs from across the commonwealth who met fidelity of implementation of PBIS during the 2021-2022 school year.

This event will take place in the  
Great American Hall  
from 5:30 pm to 7:00 pm.

Music, food, and cash bar  
will accompany the  
networking, cheering and  
celebration with others!

The cash bar is sponsored by PASS for two hours!

Successful implementation and expansion of the Positive Behavior Supports and Intervention Systems (PBIS) is due largely to the efforts of the Local Facilitators committed to implementation with fidelity of implementation. At the universal prevention school wide level of implementation, there are approximately 172 independent Network facilitators. Of this overall total, 44 facilitators also hold an advanced tier credential. All network facilitators participate in network wide trainings to establish base skills in the 3-tier process.

The 3 tier framework of PBIS as defined by the Center on PBIS (2022). Positive Behavior Interventions & Supports [Website]. [www.pbis.org](http://www.pbis.org)

## **Tier 1: Universal, Primary Prevention (All)**

Tier 1 systems, data, and practices support everyone – students, educators, and staff – across all school settings. They establish a foundation for positive and proactive support. Tier 1 support is robust, differentiated, and enables most (80 percent or more) students to experience success. Tier 1 practices include:

- Collaborating with students, families, and educators to define positive school/program-wide expectations and prioritize appropriate social, emotional, and behavioral skills
- Aligning classroom expectations with school/program-wide expectations
- Explicitly teaching expectations and skills to set all students up for success
- Encouraging and acknowledging expected behavior
- Preventing and responding to unwanted behavior in a respectful, instructional manner
- Fostering school/program-family partnerships

## Tier 2: Targeted, Secondary Prevention (Some)

In addition to your Tier 1 foundation, students receiving Tier 2 supports get an added layer of systems, data, and practices targeting their specific needs. On average, about 10 to 15 percent of your students will need some type of Tier 2 support. The support you provide at Tier 2 is more focused than at Tier 1 and less intensive than at Tier 3. Tier 2 practices include:

- Providing additional instruction and practice for behavioral, social, emotional, and academic skills
- Increasing adult support and supervision
- Providing additional opportunities for positive reinforcement
- Increasing prompts or reminders
- Increasing access to academic supports
- Increasing school-family communication

### **Tier 3: Intensive and Individualized, Tertiary Prevention (Few)**

At most schools and programs, there are a small number (1-5%) of students for whom Tier 1 and Tier 2 supports have not been sufficient to experience success. At Tier 3, students receive more intensive, individualized support to improve their outcomes. Tier 3 supports are available to any student with intensive need, whether they receive special education services or not. Tier 3 practices include:

- Engaging students, educators, and families in functional behavioral assessments and intervention planning
- Coordinating support through wraparound and person-centered planning
- Implementing individualized, comprehensive, and function-based support
