

Pennsylvania's Positive Behavior Interventions and Supports System

Participation
2020-2021 School Year
PaPBS Network

The Pennsylvania Positive Behavior Support Network (PaPBS) is pleased to announce the 2021 recipients of recognition for continued implementation of PBIS and participation in the PaPBS Network Positive Behavior Interventions and Support (PBIS). The PaPBS Network recognition system annually identifies and publicly distinguishes Pennsylvania's Program Wide (PW) and School Wide (SW) sites for successful implementation of PBIS. Although this year has presented unprecedented challenges in education, our schools and early childhood programs have been steadfast in their support to all children to meet their academic, behavioral, and social/emotional needs, and remain committed to continued participation in the PaPBS Network.

Each fall, PBIS sites across the commonwealth submit an application in order to be considered for recognition, based on the following criteria:

- In good standing of the PaPBS Network,
- Supported by a PaPBS Network Facilitator, and
- Submitted 2020-2021 annual data as required by the PaPBS Network program evaluator.

Due to COVID-19 restrictions placed on the 2020-2021 school year, the PaPBS Network created an option for schools and programs to sustain past practices while navigating PBIS in the ever changing educational situations in any given school or program.

The plan for the 2021-2022 school year is to return to the four categories of recognition. Please see below for previous qualification requirements at each level of category.

Universal (Tier 1) Initial Implementation With Fidelity

Fidelity of implementation criteria includes:

- A score of 70 percent or above on the Benchmarks of Quality (BoQ),*
- Submitted 2020-2021 annual data as required by the PaPBS Network, and
- A score of 80/80 or above on the Preschool-Wide Evaluation Tool (PreSET)** or a 70 on the Tiered Fidelity Inventory (TFI)***.

Universal (Tier 1) Sustained Implementation With Fidelity

For PW and SW sites that have been recognized for implementation fidelity the previous school year and have applied to be recognized for continued fidelity of implementation at the Universal (Tier 1) level.

Fidelity of implementation criteria includes:

- Recognized for implementation fidelity during the 2020-2021 school year,
- Submitted 2020-2021 annual data as required by the PaPBS Network, and
- Earned a score of 70 percent or above for Tier 1 on the Tiered Fidelity Inventory (TFI)*** and a Tier 1 walk-through tool was completed by their PaPBS facilitator.

Universal (Tier 1) and Targeted (Tier 2) Implementation With Fidelity

For PW and SW sites that have been previously recognized for Implementation of Universal (Tier 1) level with fidelity and have applied to be recognized for continued implementation with fidelity at the Universal (Tier 1) level and also Targeted (Tier 2) level.

Fidelity of program implementation criteria includes:

- Recognized during the 2020-2021 school year for fidelity of program implementation at Tier 1 or Tier 1-Sustaining,
- Earned a score of 80 percent or above on the BoQ for the 2020-2021 school year, or a 70 percent or above on the Tier 1 TFI,
- Submitted 2020-2021 annual data as required by the program evaluator, and
- Earned a score of 70 percent or above for Tier 1 and Tier 2 of the Tiered Fidelity Inventory (TFI) and a Tier 1 walk-through tool was completed by their PaPBS facilitator.

Implementation Fidelity at Tiers 1, 2, and 3

This is for PW and SW sites that have been previously recognized for implementation of Universal (Tier 1) level with fidelity and have applied to be recognized for continued implementation fidelity at the Universal (Tier 1) level, Targeted (Tier 2) level, and the Intensive (Tier 3) level.

Fidelity of program implementation criteria includes:

- Recognized during the 2020-2021 school year for Tier 1 or Tier 1-Sustaining,
- Earned a score of 80 percent or above on the BoQ for the 2020-2021 school year, or a 70 percent or above on the Tier 1 TFI,
- Submitted 2020-2021 annual data as required by the PaPBS Network, and
- Earned a score of 70 percent or above on Tier 1, Tier 2, and Tier 3 of the Tiered Fidelity Inventory (TFI) and a Tier 1 walk-through tool was completed by their PaPBS Facilitator.

Fidelity Measures:

*** Benchmarks of Quality**

The Benchmarks of Quality (BoQ) are used by teams to evaluate the status of program wide and school wide PBIS supports. The BoQ provides a way to assess and identify areas of strength and need for establishing future action plans for sustained implementation.

**** Preschool-Wide Evaluation Tool (PreSET)**

This assessment is used to measure program-wide implementation of the universal level of positive behavior interventions and support (PBIS) in early childhood settings.

***** SWPBIS Tiered Fidelity Inventory**

The SWPBIS Tiered Fidelity Inventory (SWPBIS TFI) is a fidelity measure to determine the extent to which programs and school staff are applying the core features of school wide PBIS in all three tiers. The SWPBIS TFI can be used over time to guide both implementation efforts and sustained use of program wide and school wide behavioral interventions and supports.
