PEAL has gathered and organized information and no-cost resources on our website so that they are easily accessible to families. The website is updated frequently to reflect the most current information and to add new resources. The page includes general information about health and safety, as well as education and health care resources, such as:

- US Government Updates
- PA Government Updates, including county-specific information
- Online educational resources
- Virtual activities to engage children and teens
- Taking care of yourself and your family
- Health Care
- Early Intervention
- Transition
- Assistive Technology
- En Español
- Community Resource Updates

Webinar Series
