

HELIX Conference  
November 18, 2019  
Practical Introduction to Listening and Spoken Language

*Activity #2*

*ACTION PLAN: Now, consider a student or child with hearing loss that you know well. Utilizing your knowledge base, apply the principles learned to identify the key details, develop an appropriate LSL activity, and select applicable LSL strategies to employ with this student.*

**Key Details**

**Who:**

**What areas of need:**

**Activity:**

**Applicable LSL strategies:**
