Communication Enhancement Project
Day Map of Activities - Activity Planning Worksheet

Student:_____   **School Year:** _____

Directions: for your target student or classroom (1) list the activities of the school schedule; on the left, put the activities that happen daily; on the right list those that occur less than daily; (2) check the activities' potential for communication participation; (3) discuss which type of communication you are trying to develop & choose an appropriate activity for your first CEP activity

List of Daily Activities	Communication Participation		List of Special Activities	Communication Participation
	_preference assessment _intentionality _reinstatement _gain attention _communicate choices			_preference assessment _intentionality _reinstatement _gain attention _communicate choices
