

Activity Matrix:

Outcomes Embedded into Everyday Activities

Outcomes/ Objectives	Literacy Circle	Recess	End of Day Transition
Will find best friends		Set up consistent place where Omer can wait for his friends to arrive. Allow Omer to leave 2 minutes before recess starts.	
Will look at appropriate item when asked a question related to an array of visuals	Sit Omer near front and below small white board to maximize his field of vision. Pair visual choice with slow, clear spoken description		
Will read phrases aloud to a peer in small group	Sit Omer next to his friend. Friend will ensure text is within Omer's visual field, or provide visual attention cues if needed.		
Will find materials in desk			Make homework folder a different bright color of his choice. Teach Omer to always keep it on right side of desk on top.
