

# Content Engagement Toolkit

## Webinar Viewing Guide

**1. What is content engagement?**

**2. How does text-focused discussion (or “discourse comprehension”) help build student comprehension?**

**3. Why does the use of question asking and answering help build comprehension (Hint: See Slide #15).**

3. Complete the following table with notes to help you review the content engagement strategies presented in the webinar:

Strategies	Describe the strategy. Note features of the strategy and how it can be used in instruction.	How could you use or integrate this strategy in your own instruction? List any “take away” ideas.
<b>Student Strategies</b>		
5Ws + H (Answering Questions)		
Question Prompt Cards (Asking and Answering Questions)		
Making Inferences		
Predicting and Proving		

Question Answer Relationships		
Questioning the Author		
<b>Teacher Strategies</b>		
Levels of Questions		
Queries and Follow-ups		

**4. List one instructional idea and/or strategy you can “take away” and use to support student content engagement (i.e., question asking and answering).**
