The Essentials of IEP Writing

*An online course designed for special
education teachers and building
administrators*

- ➔ Self-paced professional development at no cost
- ➔ 15 Act 48 continuing education hours upon completion
- ➔ Considerations to prepare for and lead an IEP team meeting
- ➔ Guidance for each section of the IEP
- ➔ Tips to be a well-informed Local Education Agency (LEA) Representative

This PaTTAN developed online course provides instruction on writing an Individualized Education Program (IEP).

Through the use of videos, audio PowerPoints and PaTTAN publications, participants will complete modules on common terminology, leading IEP team meetings, and sections I-VIII of the IEP.

This course will be available at www.pattan.net
