

ATTRACT - PREPARE - RETAIN:

## 2022-2023 NETWORKING AND LEARNING COMMUNITY OPPORTUNITIES

## YOU'RE INVITED

To join in conversations with fellow special education personnel and build connections with others who share similar job responsibilities. The following APR series will serve as a venue to share effective practices, engage in problem-solving, and learn from one another. These networking and learning communities are designed for special education personnel to collaborate and grow professionally.

# APR Master Class Learning Community for SLPs: Using Data to Drive Practices

**November 3, 2022**

**January 26, 2023**

**March 20, 2023**

**May 19, 2023**

**1:00 PM – 2:00 PM**

This learning community will meet four times during the 2022-2023 school year to explore, teach, and share high impact techniques to improve student outcomes and work satisfaction. The topics will be selected by the learning community in the first session. Topics will be focused on the needs of the intermediate to advanced level PA School Based Speech Language Pathologists. Topics may include task analysis, language sampling, and dynamic assessment. Attendance at all four sessions is required for credit. Participants will have access to an online community for networking and sharing between sessions.

*Note: Attendance at all four networking sessions is required to receive continuing education credits.*

### OBJECTIVES:

Participants will be able to:

- Discuss three high impact practices for data collection and analysis
- Perform a task analysis for a student goal
- Define the key features of dynamic assessment as it relates to intervention planning
