Supporting students with disabilities in gaining the skills needed for Competitive Integrated Employment will be the focus of these regional sessions. During this networking event, participants representing Career Technical Education, Office of Vocational Rehabilitation, and Special Education will obtain information on when and how to obtain services for students. Additionally, discussions on successful practices and resources currently being utilized in Pennsylvania will take place. This collaborative training opportunity will provide participants with strategies to assist students with disabilities as they transition to adulthood.

Audience:

Career Technical Education (CTE) staff, Office of Vocational Rehabilitation (OVR) staff, and Special Education staff
